## **EDGEWOOD CHILDREN'S CENTER**

330 North Gore Avenue  
St. Louis, MO 63119  
Phone: **314-968-2060**

Persons Served: Children ages 5 to 14, for temporary respite care, 24-hour to two weeks extended care. Children must be able to care for themselves; those with behavior problems are accepted. Arrangements must be made in advance. Children may be referred by a physician, mental health professional, children welfare agency, educator, juvenile court, insurance plan, or individual family.

### SERVICES:

#### Residential Treatment

Provides care for 48 severely disturbed children in an open campus setting where the children live and attend school. Boys 5 - 14 years old and girls 5 - 17 years old are served. Licensed Clinical Social Worker - Therapists, Certified Special Education Teachers, and Child Care Workers provide the care, treatment, education and therapy in the on-campus school and living units.

**Safe Intensive Treatment Unit:** The safe Unit provides long - term residential care to adolescent girls with severe emotional problems. Provides a safe, secure treatment setting for eight girls.

**Diagnostic Unit:** Provides inpatient diagnostic services in an open setting. Children referred by private health practitioners and other agencies. Recommendations are provided to the referral source. A written report detailing the findings, plus full treatment and or placement recommendations are available prior to discharge.

**Respite Care:** Provides temporary care by trained, qualified professionals in order to meet family needs and maintain the mental well-being of the emotional disturbed child and his (her) family. Goal is to avoid long term residential placement and enable the family to continue to care for the child at the home. Children ages 5 - 14 with emotional and behavioral problems who may also be mildly mentally retarded or developmentally disabled.  
To refer a child, contact the coordinator of Respite Care 314-968-2060.

**Day Treatment / Partial Hospitalization:** Provides intensive therapy in a Special Education Setting for emotionally disturbed children who have severe behavior or learning problems. Goal is to help the children develop skills to function in the community so they can remain with their families. The program is a year-round program with one teacher therapist assigned to each group of eight children.

**Special Education:** The school at Edgewood Children's Center is a fully accredited special education school with licenser from the Missouri Department of Elementary and Secondary Education and the Illinois State board of Education. Edgewood's School prepares students to be successful in less restrictive school placements.

**Outpatient Therapy:** Provides services to families who are experiencing a crisis or who need other special assistance. The Outpatient Therapy Department offers an alternative to the more intensive services offered at Edgewood Children's Center.

**Family Focus Program:** Provides a nine-month intensive treatment program in which the family is seen as central to the successful re-entry of the child into their home and community. The family must be motivated to keep or return the children to the home and be willing to participate in this home-based community intervention.

**Family Preservation Services:** A short-term, intensive, crisis intervention program designed to help keep troubled families together. A Family Specialist works directly with a family in their home for four to six weeks. The specialist is on call to families 24 hours a day, seven days a week.

**Extended Families First:** Intensive in-home reunification program which last three months. During home-bound family sessions, an experienced therapist assists the family with the child's transition back into the home from a residential treatment or hospital setting.

**Families First:** Short-term intensive crisis intervention program in which a family therapist works directly with a family in their home to keep the family together. Their basic belief is that troubled families can be strengthened and that each family has the ability to make positive changes which will benefit each family member.

Fees: Based on ability to pay.

### COMMUNITY HEALTH NURSING SERVICES:

**Daily Walk in Clinic:** Blood pressure screening, TB testing, pregnancy testing, Tetanus shots, health education, counseling referrals, hemoglobin and lead testing.

**Immunizations:** Vaccinations as required by law against childhood diseases. Available all working hours on a walk in basis.

**Family Planning:** Women's health care services for planning the timing and number of children. Includes counseling and services for contraception. Fees charged on a sliding scale according to ability to pay, daily hours 7:30 a.m. – 5:30 p.m. for supplies. Evening hours available.

**Communicable Disease Control:** Coordination of County reporting to State for all reportable diseases. Services include health education, counseling, surveillance, investigation and appropriate referrals for all communicable diseases and child hood illnesses.

**Sexual Transmitted Diseases:** Screening and treatment for STD's. Appointment necessary. Health education, counseling and contact investigation and follow-up.

**Chest Clinic:** Screening and treatment for TB patients, positive reactors and associated pulmonary conditions. Monthly, by appointment.

**School Health:** Various screenings offered to county schools without health services. Selected grades only.

**Vital Records Register:** Authenticating and processing of birth and death certificates in county. Certified copies of death certificates issued for a fee.

**Health Promotion:** Activities and speaking engagements designed to promote safe and healthy lifestyles for community residents. Activities are ongoing. Speakers are available upon request.

**Senior Services:** Services are provided at both Health Department locations and Senior Centers. Includes influenza vaccinations, adult immunizations and wellness programs.

**Small Bananas:** Home visiting program for your mothers and infants to age 2.

**Head Injury Program:** Service Coordination to identify needs, develop treatment plans and make referrals for adults with traumatic head injuries.

**Safety Education:** Services include car seat safety program, bike helmet program, and traffic safety education program. Income guidelines for carseats and helmets.

**Nutrition:** A dietician is available to provide nutrition information and education on an individual or group basis.

**Health Information on line: 888-640-3113** non-emergency information about asthma, diabetes, cancer, heart problems, substance abuse, mental illness, wellness programs, health education, and other information.

**ENVIRONMENTAL HEALTH SERVICES:**

The Environmental Health Section of the Health Department undertakes monitoring, surveillance, inspections and follow-up activities necessary to ensure the protection of the public from environmental hazards and in accordance with local ordinances and state and federal regulations. Routine inspections are undertaken for all restaurants, grocery stores, taverns, school cafeterias, motels, day care centers, and swimming pools. Responses are also undertaken in case of disasters, product recalls, and food-borne disease outbreaks.

Laboratory services are available locally to provide water testing for bacteriological contamination. Public water supplies are tested on a schedule determined by the State Department of Natural Resources. Private water supplies can be tested free by obtaining a container and bringing it to the Health Department. Various lab testing can be undertaken in conduction with the State Health Lab in Jefferson City for rabies specimens, and verification of other communicable diseases.

**EARLY CHILDHOOD:**

Coordinator: Julie Leftwich

Teachers: Geri Weik, Carla Rutledge, Laurie Markatay, Lori

Gammons, Janelle Dinwiddie

Cooperative and Day Treatment: BD Primary; BD Intermediate; BD Secondary Services ages 3-21 as an educational diagnostic center. Ten public school districts (excluding Fox-C) superintendents make referrals for public and parochial educational diagnosis. Physical therapy, occupational services and social work services offered. Step-parenting classes offered free to families of children referred. Hearing evaluations by referral. Speech and language therapist.

Day Treatment: A self-contained facility which provides behavior disorder students with a structured educational environment as well as individual and group therapy. Successful behavior achievement is based on a level system which enables students to achieve individual behavior goals, thus enabling students to re-enter the public school system.

Early Childhood Special Education Program: Serves 3-4 years old with disabilities through the public school system through diagnostic and educational programs. Children are tested at cooperative. After tested (IEP), determination is made to assist the child with their need.

**SERVICES FOR ALL REFERRALS FOR CO-OP SERVICES MUST INITIATE WITH THE PRINCIPAL COUNSELOR IN THE CHILD'S HOME SCHOOL DISTRICT.**

Classes offered for 1. Hearing impaired; 2. Behavior disorder - Autistic; 3. Cross Categorical classes; 4. Physically impaired (primary, intermediate, high school, multiple handicap high school); 5. Developmental language.

FAX: **636-931-4918**  
Hours: 8:00 a.m. to 5:00 p.m., Mon through Fri

AREA SERVED: Jefferson County, St. Louis City/County, St. Charles County.

The St. Louis Regional Center is part of the Missouri Department of Mental Health. The Center's Primary mission is to work with people who are developmentally disable so that they receive services needed to achieve their fullest potential

PERSONS SERVED: People who are developmentally disabled are eligible for Regional Center Services. A developmental disability is attributed to any mental or physical impairment, manifested before age 22, and likely to continue indefinitely. The disability results in substantial functional limitation and reflects a need for individual habilitation services that may be of extended duration.

SERVICES OFFERED: Every person eligible for Regional Center is assigned a case manager. The Jefferson County case management team has a working knowledge of services and resources available in this area. The staff works with families to identify resources in their community and receive support in getting assistance from those resources. When specialized services are needed, Regional Center can offer to purchase those services. Fees for specific services are assessed on a sliding scale.
